

## Ephesians 5:18-21 – Are you Filled with the Spirit?

**Intro** – In Ephesians 5:18, Paul gives not one but two equally important commands – “Do not be not drunk with wine,” and “Be filled with the Spirit.” Paul says that just like we can know what it looks like to be drunk, we can also know what it looks like to be filled with the Spirit. He then gives us seven observations about being filled with the Spirit.
