

Centuries later, Samuel felt the weight of griping as he sought to represent God to his generation (1 Sam. 8:4-9).

A complaining spirit can destroy the effectiveness of a church too. Paul wrote to the church at Philippi, “Do all things without complaining and disputing” (Phil. 2:14).

We need to avoid a complaining spirit when serving Christ. Instead, rejoice and thank God for all He has done! No griping allowed.

*When things go wrong, I would not be a grumbler,
Complaining, seeing everything as grim;
For when I think of how the Lord has blessed me,
I cannot help but give my praise to Him. —Hess*

When you feel like griping, start counting your blessings.

If you're not helping to make it right, then stop complaining about it being wrong...

No Griping

During my first week of Bible college, we had several days of orientation in which we were given a rule book to study. Several days later, during a meeting to discuss those rules, one student stood up and asked, “What is ‘no griping’? And why is it against the rules?”

He was referring to a statement in the rule book he had misread. Instead of “gripping,” it read “griping”—complaining or grumbling.

How to STOP
Grumbling
in its tracks

Complaining.
Grumbling.
They aren't pretty words.

**COMPLAINING
IS DRAINING!**

A rule against griping is perfectly understandable. The cancer of a complaining spirit can undermine the spiritual and emotional health of an individual and can infect an entire group. This can result in discontent, frustration, and even rebellion.

Moses heard griping among God’s people a mere 3 days after leading them from slavery into freedom (Ex. 15:24).
